Re: Commonwealth v. Lee Boyd Malvo
Criminal No. 102888

Dear Judge Roush:

We note that in our response to motions filed February 21, 2003 we noted in the headnote that we were responding to motions 3, 4, 6, 7, 10, 11, 12 and 13. The headnote was incorrect in two respects. We actually responded to motion 9-motion to limit numbers of law enforcement officers in the courtroom; and did not respond to motion 12.

With regard to motion 12 we wish the court to know that we do not object to the appointment of an investigator but we strongly doubt that counsel has spelled out a particularized need for five investigators as required by the holding in Husske v. Commonwealth, 252 Va. 203, 213 (1996).

Very truly yours,

Robert F. Horan, Jr.
